Rights and responsibilities of the User

I agree to return the material borrowed from the library by the agreed date.

I understand that the library is a valuable resource and replacing or repairing lost or damaged material costs a great deal of money. I understand that if I fail to return books, videos/DVD's or any other borrowed resources, or if the returned resources are damaged, I will be responsible for the replacement or repair cost of the item(s).

Library Privacy Statement

The information on this form is kept to allow us to keep track of our resources whilst on loan, and to contact you regarding request holds or loan overdues. From time to time we may use the details to survey users about the library service. Library patron and usage details are confidential and will not be disclosed.
