

Gippsland Family Violence Alliance

Strategic Plan

Vision: A future where all people in Gippsland are safe, thriving and live free from family violence.

Mission: To drive the integration of services that respond to family violence at a local area level and oversee reform processes to achieve safety, accountability and choice.

Five Pillars of the Alliance

Governance

The GFVA will strengthen internal processes and structures to ensure that the GFVA and the sub-regional's committees remain collaborative, relevant and effective.

Workforce

The GFVA will grow a strong and sustainable Family Violence sector across Gippsland.

The GFVA will build family violence response capability within an integrated system.

The GFVA will strengthen and support the existing workforce, with a focus on staff health and wellbeing.

Regional Focus

The GFVA will expand its reach, to be truly representative of the region.

The GFVA will enhance its capacity for regionally-based and evidence-based advocacy.

Integration

The GFVA will grow and sustain a high quality integrated family violence service system across Gippsland.

We aim to deepen collaboration of the GFVA with other regional networks and state-wide structures to maintain a holistic and appropriate integration work across the region.

Leadership

We aim to strengthen the position of the GFVA as a leading partnership for family violence reform across the entire Gippsland region.

We aim to build the capacity of the GFVA to influence the state-wide reform and implementation agenda from a regional perspective.

We will enhance collaborative works and projects that build the evidence base for effective and sustainable integration in Gippsland.
